Hi Kerry, I did speak to Alan at SCANPH and he will get us a speaker for affordable housing.

Thanks for keeping all of this moving forward.

Marie

Subject: Draft of agenda for Thursday morning call

Hi friends,

I've read the emails you've sent me re/ speakers you've lined up. Please take a look at the attached, and let me know if this is what your speaker is prepared to talk about?

We can tweak on Thursday morning, but if there is anything you want to send me in advance, happy to make that change.

The only thing that seems to be missing is someone to discuss the disturbing trends re/ the erosion of our affordable housing stock in CA. Do we have any leads on that.

Take a look – send me any comments before, and I can send a revised agenda. Otherwise we'll talk on Thursday morning at 10.

Lauren, we should be ready on Thursday to send an update to CDA members presenting our speakers...which are pretty damn impressive, if I say so myself.

Kerry
